TO WHOM IT MAY CONCERN

I am pleased to write this recommendation letter for **Rahul Rudra**, who has dedicated his time and energy to serve as a volunteer for Volunteer for Bangladesh - Chattogram District, the youth wing of JAAGO Foundation.

JAAGO Foundation is a registered civil society organization committed to eradicating poverty through education and empowering the youth of Bangladesh. Volunteer for Bangladesh, a part of this organization, has been actively engaging youth in social development and nation-building since 2011. Currently, with 50,000 registered volunteers, it is working in 64 districts of Bangladesh through various social awareness campaigns and projects.

Mr. Rahul Rudra has demonstrated exceptional dedication to our organization's mission as an Institute Representative (July-Dec'2023). He actively participated in various sustainable events and consistently attended our monthly meetings, showcasing a strong commitment to community engagement and social development.

Moreover, Mr. Rahul Rudra previously served as a General Volunteer from May 2023 to July 2023, during which time he attended 6 social events which aligns as a micro initiative to achieve the 17 Sustainable Development Goals (SDGs). His enthusiasm for contributing to positive change in Chattogram has been evident in his involvement in events such as the 'Plant for Next Gen' tree plantation on World Environment Day (SDG-13), 'Ride for-CO2', 'Jubo Shokti, Tarunner Shur' advocating for good governance, and the 'Greatness Kindness Challenge'

Rahul's passion, reliability, and proactive approach make him an exemplary representative of VBD's values. I have no doubt that he will continue to make meaningful contributions to our organization and the community at large.

Sincerely,

Ahnaf Safin
