To Whom It May Concern,

I am writing this recommendation letter for Rahul Rudra, a Joint Secretary of the IEEE Computer Society Bangladesh Society (IEEE CS BDC).

IEEE Computer Society Bangladesh Chapter is a community of tech enthusiasts and leaders dedicated to advancing the boundaries of computing, bridging the gap between industry and academia, and enhancing professional development through knowledge sharing. With a vision of innovating for a better future and building a sustainable tech ecosystem in Bangladesh, this society is transforming the world through computer science.

Mr. Rahul Rudra joined our community as a Public Relations Volunteer at Student Activity Community 2023. During that time, he participated in events like "**Machine Learning Mastery - Unveiling the Power of AI**" and volunteered at various **Summer Symposiums**. After that, in January, he was selected as a **Joint Secretary** of the **Graduate Student Member Forum Committee 2024**. He participated in insightful events like "**Plastic Free Future: Inspiring Actions in Bangladesh**."

Besides participating in various online seminars, he actively participated in various offline events arranged by the IEEE CS BDC and maintained good communication with his peers.

Rahul's hard work and networking skills make him a representative of the IEEE Computer Society Bangladesh Society (IEEE CS BDC)'s values. He will undoubtedly continue to make meaningful contributions to your organization and the community.

Sincerely,

_10/12/24_

Md. Tabil Ahammed
Joint Secretary
IEEE Computer Society Bangladesh Chapter
