Programming Hero

JOB PLACEMENT INTERN
SKILL ASSESSMENT TASK

Task 1: Case Study:
Let's consider a case study. Imagine Mr. Shahriar, an HR professional working at ABC Software Tech in New Zealand. He aims to recruit some Junior Developers with at least one year of industry experience. He posted a job opening for this position on LinkedIn. On the other side, you are known as 'B' and hold the role of Junior Placement Executive at Programming Hero. You currently have five candidates who are freshers, and your task is to find suitable placements for these candidates within Mr. Shahriar's company.

Now, based on the given scenario, address the following questions (Provide your answer in a pdf format):
- What would you write in the 'Add Note' section on LinkedIn when sending Mr. Shahriar a connection request?
- If Mr. Shahriar accepts your request, how will you approach sharing resumes of your fresher candidates with no industry experience?
- In the event that Mr. Shahriar rejects your proposal, what steps would you take next to connect with him?

Task 02: Video Presentation(Upload the video on google drive and share the link):
Please make a short video of 2-3 min. In english Explaining
1. The most critical task you think you need to perform as a Job Placement Intern
2. Please mention why should we pick you as Job Placement Intern (Please skip wordings like "I am dedicated, Hardworking" that you can find on google and focus on which skill you have that can help perform the tasks of a job placement intern)

⚠️**Note:**
Please remember that we will check your answer with ChatGPT detector, if your answer is found copied from chat GPT you will be disqualified & You will be banned from applying to Programming Hero for 6 months.

Submission:
1. Please create a single PDF with
    a. the answers of task 1
    b. the Drive link of Task 2
2. Submit the skill assessment task using the form you will use to apply for this role.
